

### English

As Holy Trinity Authors we will:  
Be using the book 'Tidy' by Emily Gravett to inspire our writing. We will develop our skills of narrative writing. We will use our science learning on plants to write instructions on how to grow plants. We will use RWInc Phonics daily to practice reading and writing.

### Geography

As Holy Trinity Geographers, we will look at why we have seasons as well as observing and recording the daily weather.

### Computing

We will:  
Be exploring digital writing. We will learn about the keyboard, find out how to add and remove text and explore the tool bar on word. We will also learn how to make changes to the text.

## Newsletter

### Willow

PE

This Term's sport is OAA with JB Sports Coaching

And ball skills with Mrs N Brown

PE on Monday and Thursday

### Science

As Tattershall Scientists, we will:

Be continuing our learning on plants. We will start by looking outside for signs of summer and comparing this to what we already know about the other seasons. We will be investigating what seeds need to germinate and what plants need to stay healthy. We will be comparing seeds and bulbs and planting them to compare how they grow. We will be recording data on a table which we will then transfer to a bar graph to compare growth. We will then ask and answer questions about our findings.

### Art

As Holy Trinity Artists and Designers, we will: Be looking at the artist Paula Modersohn-Becker.

Children will mix different paints and work on their brush control and breaking items down into simple shapes to support recreating paintings based on the artist.

### Maths

As Holy Trinity Mathematicians we will:

Be learning about measurement. We will be measuring in mm, cm and m. We will then move onto mass and using g, and kg and finally volume and capacity using ml and l. Children will use all the units of measure and how many there are in each measurement and the equivalent such as 10 mm = 1 cm, 100 cm = 1m, 1000m = 1km. We will use our morning maths lessons to recap on previous learning and our afternoon mental maths lessons to practice our mental skills. Please ensure children are using TTRS and Numbots.

### Religious Education

We will:

In RE we will continue to learn all about places of worship, this term we will look at what is a place of worship.
