

## Writing progression map- Overview Reception to Year 6- Rolling A 2024-2025

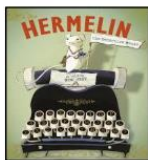

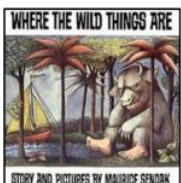

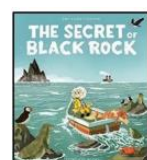

Our writing curriculum is based on carefully chosen high-quality texts with different themes through the Read to Write

program.

Read to Write is evidence-based teaching of writing. These units have been carefully mapped out so the entire statutory curriculum for writing is covered for each year group. They also enable schools to draw upon the wider curriculum, which supports schools to build rich curriculums.

Children **will** encounter and explore in detail the following books from Key Stage 1 through to Year 6.
