

Holy Trinity C of E Primary School

*Welcome to
Maple Class.*

Louis is going to show you around.

Here are some of our helpers

Mrs Liley is our Executive Head Teacher

Mrs Kaynes Head of School

Mrs Brown is our Class Teacher.

Places at school

This is our cloakroom. There is a peg with your photo on to show you where to hang up your coats, bags and wellies. You put your lunchboxes and drink bottles on the shelving opposite. The toilets are next to the cloakroom.

Here is our classroom.

We have lots of toys and activities around the classroom to choose from. We have a sand and water tray, a home corner, a crafts area, a small world and construction area and finally a lovely reading area.

We can get our own toys out, but we must remember to tidy away our toys once we have finished playing with them. Then we can choose another toy to play with.

Routine

At 8.45am the bell rings.

The children collect their name card and self-register before sitting down on the carpet with their learning pack. They will complete different activities whilst all the children come in and settle. The teacher will then do the register.

At 9:00am we have Collective Worship.

At 9:15am. We get ready for learning by having our phonics lessons which helps us to learn to read and write.

At 10:00am we start our whole class Maths input lesson. Following on from this, the children will then engage in an adult-led Maths activity throughout the week. If children are not in the activity for that day, they can choose where to play, either inside or outside. The children chose between the adult initiated and child initiated activities.

At 10:45am the children will have snack time. They have a variety of fruit throughout the week along with their milk and join the other children on the playground.

11:00am we start our whole class English input lesson. Following on from this, the children will then engage in an adult-led English activity throughout the week. If children are not in the activity for that day, they can choose where to play, either inside or outside where they have a choice of adult initiated or child initiated.

At 11:50am the children will get ready for lunch time.

At 12:45pm the children come in from lunch and the register is taken.

12:50pm the children will have a theme lesson followed by an adult-led activity and choosing time.

2:50pm the children will get ready for home.

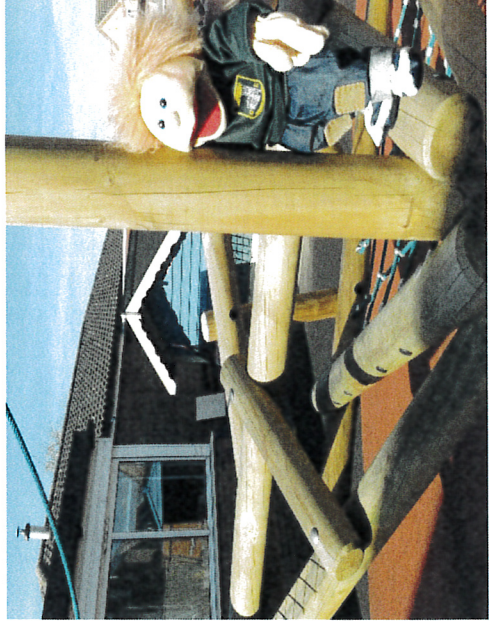

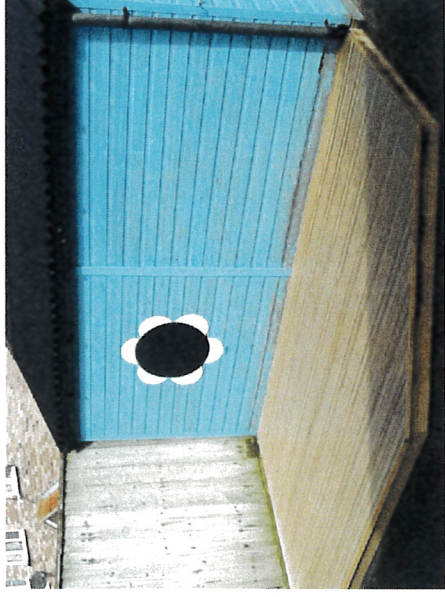

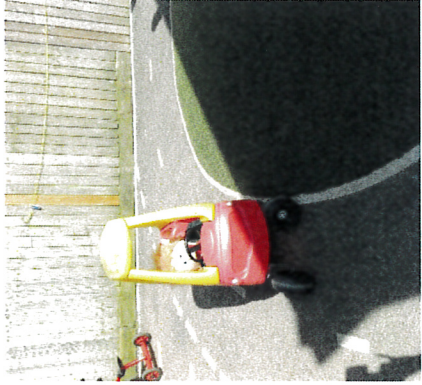

3:00pm the children enjoy a story.

3:15pm the children go home and are collected from the side gate of Maple classroom.

The outdoor area

The outdoor area has a big sand pit and a play house, and we can also play on larger equipment like bikes, trikes and scooters.

You will be able to help look after the garden too.

This is our hall.

Mrs Brown takes us into the hall with the other classes for Collective Worship (assembly). It's fun to be with all the children. We sing, listen to stories and say prayers together.

We also come into the hall at lunchtime to have our packed lunch or hot school dinner. Sometimes teachers also have dinner with us.

At lunchtime play we go out onto the playground and clamber stack

When the weather is good, we can play on the field and on the Trim Trail.

*We are really looking forward to you coming to our school!
See you soon!*
