

Early Years Vision

Our Vision:

*Holy Trinity is a family, church school, where the children are at the very **HEART** of everything we do. Our vision is to provide a high-quality education by **caring** for all like God the Father. By **learning** to serve as Jesus the Son and **sharing** God's Love in the community through the power of the Holy Spirit.*

LAAT Vision:

Our Excellence, Exploration and Encouragement powered by Equity vision statement encapsulates the Trust we are today and the Trust we aspire to be in the future. It has meaningful resonance with the work we do and our commitment to overcoming the social inequality faced by our children and young people. We are passionate about improving the life chances of every child in our care, meeting them where they are.

At Holy Trinity, our vision aligns with the core values of the Lincoln Anglican Academy Trust. Our Excellence, Exploration, and Encouragement powered by Equity ethos encapsulate both the present identity and the future aspirations of our Trust. It resonates deeply with our commitment to addressing social inequality and enhancing the life chances of every child in our care. We meet each child where they are, striving to provide equitable opportunities for success.

Inspired by the caring and inclusive spirit of Jesus, our school vision drives us to extend a warm embrace to all members of our community. We believe that by fostering a culture of acceptance and value, we create an environment where every child has the chance to thrive.

At Holy Trinity, we work in partnership with parents, recognising the crucial role they play in their child's development. Together, we aim to nurture, stimulate, and encourage growth within the framework of the Early Years Foundation Stage. By providing a supportive and enriching environment, we empower children to explore, learn, and achieve their full potential.
